The Executive Board is composed of trusted servants responsible for supporting the work of the Intergroup in carrying out its primary purpose. 2. The Executive Board does not govern. 3. The Executive Board shall consists of positions as defined in the Bylaws Manual <u>ARTICLE 4 – The Executive Board - Section 1 - Composition</u>of the Chairperson, Vice Chairperson, Secretary, and Treasurer.

RATIONALE

This revision is intended to align the previously approved Policy & Procedure manual so that it is in keeping to support the updated and revised Bylaws manual for OACFI Intergroup. **This amendment does not change any previous decisions**, it merely reflects information that is already stated in our bylaws and would be considered redundant in two places.

Key updates include:

- The composition of the Current Executive Board exists in the Bylaws, it does not need to be repeated in two locations.

IMPLEMENTATION

Following adoption of this amendment to our Policies and Procedures Manual, the bylaws committee intends to update the P&P to reflect the outcome of this motion.
