RATIONALE

This revision is intended to align the previously approved Policy & Procedure manual so that it is in keeping with the updated and revised Bylaws manual for OACFI Intergroup. This exact line already exists in the Bylaws. It would be considered redundant in two places.

Key updates include:

- The nature of the Prudent Reserve is guided by the Bylaws and implemented by the P&P. This amendment reflects that more accurately.

IMPLEMENTATION

Following adoption of this amendment to our Policies and Procedures Manual, the bylaws committee intends to update the P&P to reflect the outcome of this motion.
